La clínica dental del Doctor Pieter Coornaert [Pieter Coornaert – Implantología Axel – Axel \(tandartsennet.nl\)](https://tandartsennet.nl) necesita incorporar para su equipo multidisciplinar DENTISTAS

Perfil del candidato:

- Grado en Odontología
- You speak English and are willing to learn Dutch
- You will take the Dutch language course up to B2 level at the company's expense. We expect you to pass this in 9 months

Funciones:

- The practice in Axel is a practice that has now evolved from a referral practice to a practice with several dentists, which gives the opportunity as a dentist to emphasise subfields in dentistry and to further specialise and deepen in them.
- In the first 9 months the dentist will be working under the supervision of a qualified doctor.
- Once registered at BIG you will work autonomous

Condiciones laborales:

- Start with one-year contract.
- Salary: €4,050 to €6,580 gross per month, depending of experience.
- Help to validate your diploma in the Netherlands to become BIG-registered
- Housing for the first 3 months in the practice for a modest fee. After that, the Company will help you finding other accommodation

1.-Interested candidates send CV and motivation letter to Emmie Volleman-Biesbroeck emmie@volleman.nl with copy to eures.franciasuizabenelux@sepe.es

2.-First interview by TEAMS. The second one in person at the clinic.
